## Overview

Stephanie practices exclusively in estate and trust law, focusing on all aspects of estate planning and estate administration in order to provide clients with sound and helpful legal advice.

Stephanie regularly advises clients on their succession plan including wills, trusts, powers of attorney and domestic contracts. Her clients range from blended families, business owners and entrepreneurs, medical professionals, high net worth clients and young couples, and those with complex cross-border and multijurisdictional issues and needs.

Stephanie works closely with clients and their professional team to develop custom plans based on each client's specific needs and objectives while ensuring tax minimization.

Stephanie also advises executors, trustees, and attorneys on their duties and obligations, and provides guidance through the complexities of the estate administration process including where

---
